4 July 2011

Dear Swimmers
ASA East Region Intercounty Competition

I wanted to take this opportunity of thanking all those swimmers who were part of the Bedfordshire ASA team at yesterday's ASA East Region Intercounty Competition.

As a small county Bedfordshire always struggles to compete against the bigger counties but, despite this, there were many good swims from our team. Due to some late changes in the team, many of you were asked to swim events that you may not have chosen to enter but it was good to see that you still tried your best for the sake of the team and were a credit both to the County and to your club.

Bedfordshire ASA very much values your contribution to County swimming and hope that you will be part of the Bedfordshire team in the future.

Yours sincerely

Joan Wheeler

President Bedfordshire ASA
