Team Luton SC

Disciplines: Swimming, Open Water

Contact Email: masters@teamluton.com

Web Site: www.teamluton.com

Description

Team Luton has over thirty Masters members aged between 18 and 65 years. Two thirds of them compete in local, regional and national swim meets, seven (so far) have braved the stimulating temperatures and challenges of open water swimming whilst four members compete in triathlons. As at 1st November 2017, nine of the men and four of the ladies held 38 Beds County Short Course and 47 Long Course records between them, with five of the men and two of the ladies having won medals at the 2017 GB or Swim England Masters Championships. Given the strength in depth and ability, the Club's men finished 10th in the 2017 GB Team Decathlon competition. The Ladies finished just outside the top 100 despite their season being cut short by a series of injuries and illness. Friendly banter is a regular feature of the squad's training sessions held at times that are the envy of many other Masters clubs. Coaches Pauline Harrington, a former World Masters champion, and Jane Cattle offer stroke technique suggestions to all.
