

DATE: 3/2/18

‘A SWIMMERS PATHWAY JOURNEY’

County Parents and Guardians of Swimmers Aged 11 (December 2018) as well as those who have swimmers aged 12-14 are invited to this Workshop.

Bedfordshire ASA committed to the strategy set out by SwimEngland ‘New County Pathway 2017-2021’ in 2017. This was deemed a success by Bedfordshire ASA and in collaboration with the Swim England Programmes, will again, use this initiative to help develop the Counties’ young swimmers. The first phase will be a ‘Parents and Guardians Workshop’ with the aim of providing you with a greater understanding of the Competitive Swimming Pathway and how to support your developing young Swimmer.

We look forward to welcoming you all!
